Culbaram.

Sir,

I have the honour to inform herewith that at 28.7.39 as I was sitting at Gaybeh Village Coffee house as it was as a holiday to me, because I am a labourer at Gaybeh Village (Stone Cutter) & it was Friday; while so the coffee house has been surrounded by military and every body began to fly out I was one of those who fled, and so I was wrongly shot by the military.

I have been transferred to Culbaram Hospital and then to Nallur Hospital & after that they transferred me to Acre Hospital, in which I spend the period of 46 months & 4 days.

My leg was already broken in which I can never work & my mentioned leg could never be used at future.

So I beg to order who is in charge to give me compensation as I am a very poor fellow.
Thanking you in Anticipation.

I have the honour to be
Yours St obedient Servant.
